

# Directory Of Business and Services

2<sup>nd</sup> Edition

185 Eddie Robinson Sr., Drive  
Baton Rouge, LA 70802  
225-343-0640

*Greetings from the Pastor:*

It affords me a great deal of pleasure to be allowed the opportunity of sharing with the very dedicated persons that have worked extremely hard to make this our second edition “Shiloh Directory of Business and Services”. I can certainly appreciate the time and effort that have gone into making this endeavor a success.

This directory was designed with a two-fold purpose in mind: (1) to serve as a source of information for the members of our congregation who are in need of particular goods and services and (2) to be a medium of advertisement for our members who own - businesses and provide special services. Though we are not endorsing one business over another we do advocate the support of our own, especially during this time of economic hardship.

We have faith that all of us will be greatly benefited by this project, and that our Divine Creator will continue to instill in us new ideas for serving his people.

On behalf of all of the officers and members of the Shiloh Missionary Baptist Church, let me express our deepest appreciation and congratulations to this committee for a job well done.

May God richly bless you in all of your future undertakings.

Sincerely,

The Reverend Charles T Smith
